PROFESSIONAL SUMMARY

Computer Science graduate with a passion for animation and visual storytelling, bringing hands-on experience in digital content creation, multi-channel campaign management, and audience engagement. Demonstrated ability to grow event attendance by up to 30% through targeted content campaigns using Adobe Creative Suite, Canva, and CapCut. Combines a technical CS foundation with creative instincts — uniquely positioned to contribute to the television animation development process at DreamWorks.

EDUCATION

Bachelor of Arts, Computer Science

May 2026

The College of Wooster, Wooster, OH | GPA: 3.06
